My dear Mrs Mumford
how little we know when
we are helping People through
unpleasant Places. I felt
like a cat in a strange quartette
that night until we commenced
To Talk I seldom go to other
Churches now and when I do
I cannot make myself feel at
home and you took all that
feeling away and Thank it
did seem good to meet some
one that felt the same about
living a Christian life.
I hope we may meet again

Mrs R. B. Mumford
